

Jovan Lloyd C. Honrada

lloydphotography25@gmail.com | 09762554775 | Bolinao Pangasinan

I am an aspiring UI/UX designer with experience in Figma and Adobe Photoshop, focused on creating clean and user-centered designs.

I also have experience building applications with Flutter, Dart, and Firebase, combining design and development to deliver functional solutions.

Education

Pangasinan State University

Bachelore of Science in Computer Science, August 2021 - Present

Skills

Python, Java, HTML, CSS, JavaScript, Git, Next.js, Tailwind CSS

Projects

NutriFitPro

NutriFitPro is a health and fitness application designed to help users track their nutrition, monitor progress, and achieve their fitness goals. It combines personalized recommendations, user-friendly tracking features, and intuitive design to promote a healthier lifestyle.

Kitchen Helper

Kitchen Helper is a smart cooking assistant app that offers personalized recipe recommendations based on your available ingredients, dietary preferences, and cooking history. The app helps users discover new meals, suggests ingredient substitutes, and provides detailed, step-by-step instructions, making meal preparation effortless and enjoyable.
